

American Artisan

January-December 1955 — Vol. 92, Nos. 1-12

Published monthly by the Keeney Publishing Company, 6 N. Michigan Ave., Chicago 2, Ill.

This index does not include Equipment Developments; New Literature; What the Associations Are Doing; We Hear That; Appointments—departments appearing regularly in each issue. The Editor's Notebook and What's Happening in each issue include items of news, comments on current events, etc. In the January issue a complete directory section was published covering warm air heating, residential air conditioning and sheet metal products.
